

Yokota Air Base

Japanese - American Friendship Festival 2012

GENERAL INFORMATION

Yokota Air Base's Japanese - American Friendship Festival 2012 is **Aug. 18 and 19**. The **#5 Supply/ Ushihama gate** will be open to pedestrian traffic from **9 a.m. to 8 p.m.** during this time.

Status of Forces Agreement personnel will not be allowed to sign in visitor's vehicles during these two days.

The closest station is JR Ome Line's Ushihama Station which is a 10-minute walk to the gate. JR Ushihama is operational, but is currently under construction and not operating at maximum capacity. We recommend using JR/Seibu Haijima.

This year's festival will feature aircraft static displays, music, food, game booths and various events throughout the two-day festival.

Photo identification with your nationality and any items being carried on base will be checked at the gate. However, large bags, alcohol, glass bottles and cooler boxes cannot be brought on base.

- No public vehicle/motorcycle parking is available.
- Bicycle parking will be available near the supply gate.
- No pets are allowed in the festival area.
- Smoking is only allowed in designated smoking areas throughout the festival area.

If you are not a U.S. or Japanese citizen and would like to attend the festival, please bring your passport and Alien Registration Card.

We look forward to seeing you at the festival.
